

Predavanja sponzora i gostujućih predavača/ Sponsors' and Guest Speakers' Presentations

Nedjelja/Sunday 6. 11. 2011./November 6, 2011

New England ISO

17.30 – 18.15 h/5.30 – 6.15 pm

Gordon van Welie, CEO

dvorana/Hall A – Ragusa

Establishment of Competitive Wholesale Electricity Markets and Regional System Planning
Kreiranje elektroenergetskog tržišta i planiranje regionalnog sustava

SCHNEIDER ELECTRIC

18.15 – 18.45 h/6.00 – 6.45 pm

Ivan Paić, Krunoslav Kršek

dvorana/Hall A – Ragusa

Moderna rješenja u distribuciji električne energije
Modern Solutions in Distribution of Electrical Energy

Ponedjeljak/Monday 7. 11. 2011./November 7, 2011

B4 – predavanja/B4 – Presentations

8.00 – 13.00 h/8.00 am – 13.00 pm

Marko Lovrić

dvorana/Hall B – Orlando

Prijenos električne energije istosmjernom strujom visokog napona za priključenje offshore vjetroelektrana na prienosne europske mreže
Connection of Offshore Wind Farms on European Transmission Network Using HVDC Transmission

Marijan Kalea

Prijenos električne energije istosmjernom strujom visokoga napona – stanje u svijetu i Europi danas
Transmission of Electricity with High Voltage Direct Current – The Situation in the World and Europe Today

Goran Majstrović

Osnovne značajke HVDC projekta Crna Gora – Italija
Basic Features of HVDC Montenegro – Italy Project

Boško Jaković

HVDC transformatori – KPT iskustva
HVDC Transformers – KPT Experiences

Miroslav Krepela

HVDC – pogled u budućnost elektroenergetskih mreža
HVDC – View in the Future of the Power Grids

PET-PROM

10.30 – 11.00 h/10.30 – 11.30 am

Bela Bodi

dvorana/Hall 1 – Bobara

Smart Metering Systems and Inoperability
Napredni mjerni sistemi i inoperabilnost

ABB

18.15 – 18.45 h/6.00 – 6.45 pm

Mladen Rakić

dvorana/Hall A – Ragusa

Kompaktna rješenja za transformatorske stanice 110/x kV
Compact Solutions for Substations 110/x kV

KONČAR

19.00 – 19.45 h/7.00 – 7.45 pm

Grupa autora / Group of Authors

dvorana/Hall A – Ragusa

Končar prezentacija
Presentation of Končar

Utorak/Tuesday 8. 11. 2011./November 8, 2011

APG – Austrian Power Grid

17.30 – 18.00 h/5.30 – 6.00 pm

Manfred Pils, Head of Unit Market Management

dvorana/Hall A – Ragusa

Implementation of the ITO Model in Austria
Primjena ITO modela u Austriji

RTE – Réseau de Transport d'Electricité

18.00 – 18.30 h/6.00 – 6.30 pm

Pierre Bornard, Vice-Président du Directoire RTE

dvorana/Hall A – Ragusa

RTE's Experience with ITO Establishment and Certification
RTE iskustvo u uspostavljanju i certifikaciji ITO modela

Quanta Technology

18.30 – 19.00 h/6.30 – 7.00 pm

Damir Novosel, President

dvorana/Hall A – Ragusa

New Frontiers in Revitalizing the Power Grid
Nove granice u revitalizaciji elektroenergetskog sustava

DALEKOVOD

19.00 – 19.45 h/7.00 – 7.45 pm

Damir Skansi, Jurica Prižmić, Krešo Rosean

dvorana/Hall A – Ragusa

Dalekovod u okolnostima promjena
Dalekovod in the Light of Changes
